What should I do before travelling to the HN

Visa
Depending on your country of origin, a visa may be required to enter Germany. Please apply for this as early as possible. A tourist visa on its own is not sufficient.

Accommodation
Student halls of residence are located nearby the Hochschule Niederrhein. Many students also try to find a room in a shared flat, called a „Wohngemeinschaft“ in German, or just WG in short.

Health Insurance
Travel insurance is NOT sufficient on its own. Each and every student, regardless of their nationality – must present proof of their health insurance cover (for example, a health insurance policy) when they register at Hochschule Niederrhein. Health insurance cover can be obtained from any statutory health insurance provider. The monthly contribution – depending on the chosen health insurance fund - currently amounts to approximately 82 Euros per month. You can arrange your health insurance before your trip to Germany or after your arrival in Krefeld or Mönchengladbach.
